### Expert coach speaks

*A screenplay, or script, is a written work by screenwriters for a film, television program, or video game. These screenplays can be original works or adaptations from existing pieces of writing. In them, the movement, actions, expression and dialogues of the characters are also narrated. A screenplay written for television is also known as a teleplay.*

*The major components are action and dialogue. The action is written in the present tense and is limited to what can be heard or seen by the audience. The dialogue is the words the characters speak, and is written in a center column.*

### Key benefits of this activity

The activity benefits in many ways:

- Improves storytelling
- Brings structure in thinking
- Reduces verbosity in communication
- Helps understand the impact of pitch & background in effective communication
